

Dear Sir/Madam,

Defense Logistics Agency (DLA) Troop Support would like to extend an invitation to all customers who order Fire and Emergency Services Equipment (FES), to consider using our FES Tailored Logistics Support Program. This program has undergone significant improvement since its introduction. The program provides commercial and commercially modified products and incidental services from reliable sources located in geographic regions throughout the country. Some of the items available through this program include, but are not limited to the following:

- Extinguishers
- Rope
- Fire Alarm Systems
- Suppression Systems
- Breathing Apparatus
- Hoses
- Nozzles
- Regulators
- Thermal Imaging Equipment
- Ladders
- And Many More

Some of the features of the program include:

- Timely Awards
- Reliable Suppliers
- Reasonable Prices
- Easy Registration Procedures (All customers must be registered to order)
- Easy Ordering Procedures

To learn more about this program please visit our website at: www.TroopSupport.dla.mil/CE/SpecOps/festv/lsp.asp

This website includes helpful links that will explain: FES Customer Guidelines Document, complete details of the program including registration, ordering etc.

Register Now/Open the Registration Form shows the actual registration form.

Even if you are not ready to order now, we encourage you to register for the program.

If your organization uses Fire and Emergency Services Equipment, we strongly recommend that you look into this program. Should you have any questions, please feel free to contact one of the following points of contact:

- Kartinya Williams; Comm. 215-737-5390; 444-5390 kartinya.williams@dla.mil
- Kenneth Bowerman; Comm. 215-737-0518; 444-0518 kenneth.bowerman@dla.mil

We thank you for your time and we hope you will consider using our program.
