2. BACKGROUND:

The maker of Tylenol is voluntarily recalling certain lots of Children's and Infants' Tylenol liquid products that were manufactured between April, 2008 and June, 2008. All products manufactured met internal specifications. However, the company is implementing this recall because during this period, an unused portion of one inactive ingredient did not meet all quality standards. Therefore, as a precautionary measure, it was decided to recall all Children's and Infants' Tylenol liquid products listed below, which were made during this time.

Consumers can find the lot numbers on the bottom of the box containing the liquid product and also on the sticker that surrounds the product bottle. The lot numbers of the affected products are listed below. These actions do not apply to Children's Tylenol Meltaways and Junior Strength Tylenol Meltaways. The voluntary recall applies only to select lots of Children's and Infants' Tylenol liquid products.
