"R" Rework Indicator

Cases with the rework indicator "R" following the DOP/Lot Number have had the affected dairyshakes removed and replaced.

Do not destroy dairyshakes in cases marked with an "R".

End users should be informed the dairyshakes contained in these reworked cases are safe to consume.

The exact location of the "R" rework indicator may vary between rework facilities and/or may be covered by the banding but will be in immediate area following the original DOP/Lot Number
