GROUP I: Ships in Tidewater, Norfolk, and York River, VA

<u>Deliver to:</u>	<u>Frequency:</u>
Ships in Norfolk Area and Visiting Ships	Deliveries between 0500 & 0600 hours; up to seven (7) delivery days per week including Sundays and national legal Holidays;
Newport News Ship Bldg. and Dry Dock Piers, Yorktown Piers, Horn Brothers, Newport News	Deliveries between 0500 & 0700 hours; up to seven (7) delivery days per week including Sundays and national legal Holidays;

DELIVERIES TO SHIPS:

Due to fluctuating arrival and /or departure schedules, ships may require delivery of products within a specific time frame. The Ordering Officer will advise the contractor of any special delivery requirements when placing orders, and the contractor will comply with the request. Deliveries ARE NOT required to be made outside the "time of delivery" specified unless agreed to between the contractor and customer and approved by the DLA Troop Support Contracting Officer.

FOR DELIVERIES MADE TO SHIPS, ALL ITEMS ARE REQUIRED TO BE PACKAGED IN DISPOSABLE, NON-RETURNABLE CARDBOARD BOXES SUITABLE FOR STACKING. THIS REQUIREMENT IS MANDATORY, NOT NEGOTIABLE

Note For Ships: Deliveries shall not be left on docks or wharves and must be made available to government representatives authorized to accept deliveries.

The Fitting Out and Supply Support Assistance Center (FOSSAC) was hired to continue the delivery process for the ships by transporting the stores from the brow of the ship into their storeroom. In order to accomplish this, the Contractor may have to schedule deliveries through the Fleet Industrial Supply Center (FISC) when making deliveries of their product.

Delivery tickets (i.e., annotated and signed copies of the receipt documents) must be dropped off at the FISC Office, Bldg. #W143 (POC: Mr. Jim Peace / 757-443-1119), prior to the delivery truck departing from the base, anywhere between 5:00am and 3:00pm, depending on the individual requirement of each customer.

1. Bread, Cakes, Doughnuts, Muffins, Pies and Rolls must be delivered no more than 24 hours after baking. Following a non-bake day, these items must be delivered no more than 48 hours after baking.
2. Brown and Serve Rolls must be delivered within 36 hours after production.
3. Bakery products shall include mold inhibitors of the proper level as allowed by the FDA.

RAPID GATE

Many bases currently require enrollment in Rapid Gate and will not allow entry without RapidGate clearance. The contractor must take all necessary steps prior to award to obtain RapidGate enrollment in time for the start of performance under this contract. The contractor must demonstrate as part of their proposal that they currently are or will be enrolled prior to the start of performance. Failure to have RapidGate clearance may result in a vendor being turned away from the base and being unable to complete delivery. The contractor is responsible for the additional cost for RapidGate enrollment and must ensure that a RapidGate enrolled driver is available for all deliveries. We currently estimate that RapidGate enrollment will cost about \$250 per company and \$200 per enrolled employee for 1 year of access to multiple locations, but the cost of RapidGate or other security enrollment may vary, so the contractor should contact RapidGate to determine its own costs. If more than one driver is required, RapidGate enrollment must be obtained for each driver. Note that enrollment can take several weeks, so an offeror that is not already enrolled must begin enrollment as soon as possible. If difficulty or delay in enrollment in RapidGate is encountered, the contractor **MUST** contact RapidGate and/or the Security Officer at the applicable customer locations to resolve any issues with processing RapidGate enrollment so that the contractor will be able to deliver as required. For additional information regarding RapidGate, including enrollment instructions, please visit their website at www.rapidgate.com.

Please note that RapidGate is currently a requirement for access to some military bases; however, these and other locations may require enrollment in other security programs at some time in the future. In this event, the contractor is responsible for obtaining all required enrollments and clearances for each of their drivers as soon as they receive notice of such a requirement.
